Thanks Alexis, very generous of you.

Here is the email of Lucy Lin at the San Francisco Arts Commission: [lucy.lin@sfgov.org](mailto:lucy.lin@sfgov.org)

Perhaps if you send her the letter and tell her that it was your fault that the letter did not arrive by the deadline, she might accept the letter past the deadline. I did write to someone else there and that person said no, so hopefully Lucy Lin will accept your letter of support after the deadline.

Will keep my fingers crossed.

Best,

Lynn
