Dear Grant panel,

I am writing in support of Lynn Marie Kirby's proposed project, *Alhambra*, an evening performance of film and exercise, based on research into the history of Russian Hill as a neighborhood and its landmark cinema the Alhambra Theater that is now a Crunch gym.

We at Crunch are very excited by this neighborhood project and will work collaboratively with Lynn to engage to facilitate a public performative event at Crunch, an evening of history/exercise and film screenings, at a date in to be worked out in future.

We are interested in working with Lynn to host the project but Crunch does not commit to any funds for the execution and running of the project.

We hope the Arts Commission will support the project.

Sincerely yours,
